## Sticker Superstars

Thank you to everyone who collected and sent in Aldi stickers. Thanks to your generosity and commitment we have just received two large bags full of sports and games equipment.

Particular thanks go to **Ella** and **Maisha** who sorted through all the stickers so we could submit them. You are amazing.

## Safe and Successful Shanklea STEM Week

This **week** has been our **STEM week**. (Science Technology Engineering and Maths.) Across the school children have been experimenting, investigating, using new technology and resources but above all had fun! Some have even been inspired to become a scientist, engineer or designer. They certainly have the talent.
